USE & RESPONSIBILITY

Semen is provided for the contracted mare only and may not be transferred, sold, or used for any other mare without prior written consent. Unauthorized use voids all guarantees and constitutes breach of this Agreement.

Mare Owner is solely responsible for mare management, timing, veterinary care, insemination, and all associated costs.

Stallion Owner does not guarantee conception or pregnancy from any individual shipment. All shipments are part of the overall breeding effort toward one (1) pregnancy as defined in this Agreement.

LIVE FOAL GUARANTEE & STALLION AVAILABILITY

A live foal is defined as one that stands and nurses unassisted within 24 hours of birth. If a confirmed pregnancy does not result in a live foal, Mare may be re-bred the following breeding season, subject to availability and full compliance with this Agreement. This rebreeding right is limited to one (1) additional breeding season only.

This guarantee applies to one (1) pregnancy only and does not extend to multiple pregnancies. Guarantee is void if mare is bred to another stallion, timely notification is not provided, or ownership changes without written approval.

If the stallion becomes unavailable, Stallion Owner may, at their discretion, offer a substitute stallion, rebreeding the following season, or refund the breeding fee (booking fee retained).

SHIPPING & REGISTRATION

Semen collection and shipment will be coordinated through Golden Oak Gypsy Ranch and its designated veterinarian or collection facility.

Mare Owner is responsible for all costs associated with collection, processing, handling, shipping, containers, courier fees, and return of equipment, and shall pay all such fees directly to the attending veterinarian or service provider at the time services are rendered.

A minimum of 48 hours notice is required for shipment requests. Shipment timing depends on stallion availability, mare readiness, and veterinary or collection facility scheduling; every reasonable effort will be made to accommodate requests. Risk transfers to Mare Owner once semen has been delivered to the carrier. Stallion Owner is not responsible for delays, loss, carrier issues, or semen condition after shipment.

A breeding certificate will be issued upon full payment of all breeding fees and satisfaction of the terms of this Agreement.

COMMUNICATION & GENERAL

Text or email is acceptable and effective when sent. Each party is responsible for maintaining accurate contact information. Failure to communicate in a timely manner may result in missed breeding opportunities without liability. **This Agreement is governed by Idaho law, and any dispute shall be resolved exclusively in Kootenai County, Idaho.** Prevailing party may recover reasonable attorney fees and costs. This is the entire agreement and may only be modified in writing signed by both parties. **Electronic signatures are valid.**
